BLUMA WELLNESS LLC

One Vendor for Your Full Physician Recognition Calendar

Thoughtful, personalized appreciation gifts for your doctors — sourced, packed, and delivered for the three dates that matter most, so your team never has to scramble.

OUR SIGNATURE GIFT — IN EVERY PACKAGE

The Clinician Hand-Care Ritual Kit

Clinicians sanitize their hands dozens of times a day — cracked, overworked hands are the complaint every doctor knows. Our signature kit pairs a rich repairing hand cream with an intensive overnight balm in a presentation gift box — the signature product of Bluma Wellness, our Miami wellness company built on restorative self-care for people who care for others.

It is the gift physicians actually use up, remember, and ask for again — and it anchors every package below.

Minimum order: 100 units per date · Volume pricing improves at 250 and 500+ units
Personalization included: name engraving (tumblers) · Baptist logo on packaging · gift card insert with your message
Lead time: order 6–8 weeks before each date for full personalization

HOW IT WORKS

One Agreement, All Three Dates

One agreement covers all three dates. You approve the packages once; we handle sourcing, quality checks, personalization, gift packaging, and delivery to your locations in time for each date. Every gift arrives presentation-ready — boxed, carded, and labeled for distribution.

Volume tiers: 100–249 units at the estimated prices shown, with improved per-unit pricing at 250–499 and 500+. To protect personalization quality, please confirm each date's order 6–8 weeks ahead.

NEXT STEP
